
It's simply not that simple: Navigating complexity with curiosity and collaboration

Valerie McLean

What will we be learning about today

- Context around some of the anti patterns we see
- Why our brains aren't helping us to turn those into helpful patterns
- My views on how agility can help
- A leadership model to guide you

ARE YOU A
LEADER?

**A leader is someone who influences
others to take effective action**

Agility in Leadership

- Taking short, fast action
- Changing plans based on what we know now
- Creating hypotheses about what we might learn next
- Celebrating anything we find out - good or bad!
- Empathy and kindness towards others

Central to everything

Setting the conditions

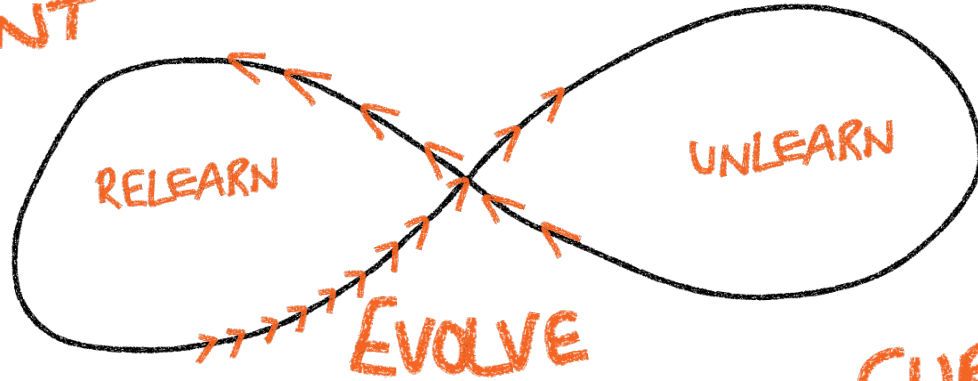

- Vulnerability
- Superordinate goal
- Team Charter and Values
- Equal Voice
- A team of leaders
